Dear Colonel Baird:

(U) Reference is made to my letter of June 22, 1962 wherein this School requested the services of the Central Intelligence Agency in procuring speakers for the four Senior Foreign Officer classes the U. S. Army Intelligence School has scheduled during fiscal year 1963.

(C) Class number two of our foreign officer group will be in session from October 8, 1962 to December 14, 1962. The class is expected to consist of approximately 21 field grade officers from Argentina, Colombia, Ecuador, Guatemala, Indonesia, Korea, Mexico, Peru, The Philippines, Taiwan, Thailand, and Venezuela.

(U) It would be appreciated if your speakers could again be made available to present the lectures indicated on the inclosure to this letter. In addition to the subjects and scopes, we have listed the names of your previous speakers together with proposed times and dates which we feel would place these presentations in proper sequence to the remainder of the course.

(U) It is understood that the facilities of your auditorium are still not available for the two presentations, "Strategic Intelligence" and "Elements of National Power and the Concept of National Security," which we normally request be presented at CIA. These lectures are included in the inclosure to this letter for presentation at the U. S. Army Intelligence School. It is hoped that our third foreign officer group, scheduled to commence late in January 1963, may enjoy the privilege of visiting your agency, should your auditorium be completed at that time.

(U) As in the case of previous foreign classes, the students will be cleared for information classified CONFIDENTIAL Modified Handling Authorized, and will speak and understand the English language.
